

HELP PAVE THE WAY.....

VA Central Iowa Commemorative Brick Project

To honor our Veterans who paved the way to freedom, we introduce the VA Central Iowa Commemorative Brick Project. Housed under our beautiful covered walkway between our main hospital entrance and Community Living Center, donors can create a lasting tribute to loved ones who honorably served our country. Three lines of personalized text allow you to list names, military units, or memorial quotes on your brick – the choice is yours. We also encourage bricks for our unsung heroes, such as Wounded Warrior Caregivers, dedicated VA volunteers, and our devoted service organizations. Beyond the wall, proceeds from this project will serve “Veteran Centered Care” projects, such as blankets for hospice patients, the upkeep of historical displays, and so much more. Help us create a lasting memorial for those who honorably served.

*Please allow approximately 90 days, weather permitting, for your commemorative brick to be placed on our wall. Coordinated through Voluntary Services, this project is being brought to you by the Veterans Advisory Committee and a dedicated team of VA employees. We reserve the right to refuse to engrave any message we deem inappropriate or disrespectful.
