Agenda and more information to follow

VA Central Iowa Health Care System is hosting the Central Iowa Veterans Employment Summit 2.0

This is the premier opportunity to network with Central Iowa Veterans, employers, employment service providers, and key community and government partners to develop a strategy to open opportunities and eliminate barriers to employment for Central Iowa Veterans.

You're Invited!

I want to extend my personal invitation to you to attend the Central Iowa Veterans Employment Summit 2.0 on Thursday May 14. At the Department of Veterans Affairs, employment is a cornerstone of mental health recovery and a pillar of ending homelessness among Veterans. We are in exciting times as Iowa Communities have made Veterans employment and other Veteran services a priority through the Home Base Iowa initiative.

Please plan to join us in this most important step towards full Veteran employment. I look forward to seeing you there.
