Central Iowa VA Community Hosts Telehealth Town Hall

VA Central Iowa Health Care System (VACIHCS) and the Des Moines Regional Office are hosting a unique town hall focused on local and national telehealth advances. Leadership representatives from VACIHCS, Des Moines Regional Office, and Iowa Department of Veterans Affairs will also be there to share updates and answer questions. Join us on **June 24, 2016** at **VA Central Iowa Health Care System, Building 4, 2nd Floor Auditorium, Des Moines, Iowa from 12 p.m. to 2 p.m.** to hear from leadership, see live telehealth demonstrations, and ask your important questions. We will also be hosting for our 2nd year, the **Telehealth Education Delivered (TED)** vehicle, on their national tour that day from **11 a.m. to 3 p.m., which will be parked on our main campus off the Douglas Entrance.** TED showcases how to enable telehealth equipment in areas such as mental health, rural health, surgery, wound care, audiology, and dermatology among others. VACIHCS is proud to boast a very robust Telehealth program and this team will also be showcasing in the **Main Lobby from 11 a.m. to 3 p.m. PLEASE attend and see how the VA is leading the way in telehealth technologies!** We also invite Veterans to ask their more personal Service Connection Claims Questions at our **VBA Claims Clinic from 9 a.m. to 12 p.m. in the Main Lobby** during this event.

The meeting is open to all members of the public, including Congressional stakeholders, Veterans Service Organizations, state and local governmental and non-governmental organizations, and other community partners. Media is invited to attend.
