Central Iowa VA Community Hosts Telehealth Town Hall

VA Central Iowa Health Care System (VACIHCS) and the Des Moines Regional Office are teaming up again to host a unique town hall focused on local and national telehealth advances. Leadership representatives from VACIHCS, Des Moines Regional Office, and VISN 23 will also be there to share updates and answer questions. Join us on **June 16, 2016** at **VA Central Iowa Health Care System, Building 4, 2nd Floor Auditorium, Des Moines, Iowa from 1 p.m. to 3 p.m.** to hear from leadership, see live telehealth demonstrations, and ask your important questions. We will also be hosting for our 3rd year, the **Telehealth Education Delivered (TED)** vehicle, on their national tour that day from **9 a.m. to 3 p.m., which will be parked on our main campus off the Douglas Entrance.** TED showcases how to enable telehealth equipment in areas such as mental health, rural health, surgery, wound care, audiology, and dermatology among others. VACIHCS is proud to boast a very robust Telehealth program and this team will also be showcasing their technology in the **Main Lobby from 10 a.m. to 3 p.m. PLEASE attend and see how the VA is leading the way in telehealth technologies!** We also invite Veterans to ask their more personal Service Connection Claims Questions at our **VBA Claims Clinic from 10 a.m. to 1 p.m. in the Main Lobby** before the event.

The meeting is open to all members of the public, including Congressional stakeholders, Veterans Service Organizations, state and local governmental and non-governmental organizations, and other community partners. Media is invited to attend.
